

# Protect each other from COVID-19

## Masks are mandatory

All persons aged five (5) years or older entering or remaining in these premises are **required to wear a mask or face covering** which covers the nose, mouth and chin as required under the Regional Municipality of Halton By-Law 47-20, unless exempted.

Not everyone's situation is the same and exemptions may not be visible. Please **be kind and supportive** to others in the community who may be exempt from wearing a mask.

Please remember that wearing a mask does not replace other important public health measures:

Wash your hands

Stay home when you are sick

Physically distance with those outside your social circle

Physically distance and wear a mask in indoor public places
